 progress EC certificates Deposit Data Transmission Entered DMs data download 	▲ WARNING: system detected the presence of 'In progress' DMs in the database, which refer to first notifications / manufacturing putback. Select 'Search in DM To-do list' option to find the DMs in order to complete the notification process (Validation by signing). User is required to delete data entered by mistake into the system which only refer to first notifications. It's not possible to delete 'In progress' DMs which come from 'manufacturing putback'
